

WORSHIP ARTS TEAM MEMBER PROFILE

WELCOME!

Thank you for your interest in serving with Central's Worship Arts team! We have a great team of people who help us create dynamic worship experiences in our weekend services. This form will help you understand who we are, as well as the expectations we hold for our volunteers as a Worship Arts team.

Who We Are & What We Do

We are people who desire to amplify the hope and life of Jesus to our community. We are a team who works together in various roles. We have positions that are reserved for followers of Jesus, and other places to serve in *no matter where you are in your journey with God*. We welcome everyone, and we are upfront and serious about our desire for everyone to know and follow Jesus on our team. We believe that makes us stronger. We know that what we do matters and we treat it with respect.

We want to provide an atmosphere where all people can worship freely in God's presence. This is our goal each weekend. This primarily includes prayer, stories, singing, baptism, communion and teaching the Scriptures. We also seek, when appropriate, to incorporate interactive elements, media and the arts into our services. We believe that creativity speaks into all of these areas. These expressions of worship provide people the ability to meet Jesus for the first time, follow him closer, experience His presence in unique ways, understand the Scriptures better and to change their life by living out the Scriptures. You play a role in this each weekend when you serve!

We take our role seriously. Being part of the team is a commitment in spending time learning the music, coming to rehearsals, working on building community with others, and bringing your best at the weekend services. We understand it takes a lot of work - but it's also a lot of fun! No matter where you are at on your journey of faith, we have a place for you. You might even be new to the whole "church" thing and that's OK. We're glad you're here. We like to see us a family, working together for God's glory. If you have any questions or would like to discuss this information further, just let us know! We look forward to getting your application back and taking the next steps in this process!

What to expect in this process:

1. Complete the application and return it to the church office or send it to worshiparts@centralwesleyan.org
2. After the application is received and evaluated, you will be scheduled for an audition.
3. After the audition or training, we will evaluate the next steps (either placement on the team or redirection).

Planning Center Online (PCO) Our primary means of communication and interaction is an online based program called Planning Center Online (PCO). We use this to schedule people to serve, distribute needed info and items like music, allow you post "block out dates" you can't play, and plan our weekend service orders. It's an amazing way to keep everyone "in the loop." We require everyone who serves with us to create an account with PCO. It's easy and quick. All our volunteers are expected to use and interact with PCO for the weeks they are scheduled. We regularly provide training on how to navigate and use this website (you'll be pro in no time!) if you need help.

Next Steps Thanks for taking the time to apply for the Worship Arts team at Central! Please turn in this application to the worship office or send it via email to worshiparts@centralwesleyan.org. We'll get back to you shortly after to schedule an audition. After the audition, we take a short time to pray and evaluate next steps for placement on our teams. If you have any questions about this process, please ask!
