Series: It's Complicated #8

Sermon Title: Big Vision, Small Steps

Big Idea: With big vision, we need to take small steps.

Key Scriptures: Ephesians 4:25-5:2; 1:13-14; 2:10

1. Ephesians 5:27 captures God's grand vision for His church. Do you find the vision exciting or overwhelming? Explain why.
2. It can feel complicated when all of our stories intersect. What, if anything, keeps you from embracing the "mess" of God's family?
3. Share about someone who has been an encouragement in your own faith journey. How could you become that voice of encouragement in someone else's journey with God?
4. We were challenged to sit with the Holy Spirit and consider our next steps. What did the Holy Spirit bring to mind for you? How can we support one another in these next steps?
