

Craig Rees
Wait Training

06/18/17

NOTE: There are more questions below than you are expected to answer. Please just choose a few that are relevant for your personal reflection & application.

1. What was your major takeaway from the message this morning?
2. (Scale 1-10) How easy do you find it to wait on God? In what area of your life are you experiencing the most difficulty in waiting today?
3. Think of a time when you had to wait for something that was very important to you. What did you learn as you waited?
4. Read Hebrews 11:13-16 and 35-39 (see also vv. 1-29). How were the people who did not receive God's promises in this life able to cope?
5. "The moment waiting becomes more than longing, is the moment waiting becomes part of right living." How do you see God working to make you more like Christ as you wait?
6. "Waiting isn't tough because it's godly, it's tough because it's scary and painful." Can you describe a period of waiting that was especially difficult, but in retrospect brought greater benefit than receiving your desire immediately?
7. "Waiting and worship overlap. How we wait reveals how we worship." Read Isaiah 64:4-5. What does doing the right thing look like when we are waiting on God for something important?
