2 Timothy 1:6

1. What are some of the “frictions” you are facing in life right now? How do you think God might be using those to refine you and ignite a Fire of Faith in your life?
2. Is there something in your life you think God has been asking you to do, something he’s asking you to step into, or something he’s asking you to let go of that you have been unwilling to do so? If so, what is that thing and what about it is making it hard for you to be willing?
3. When we gather together we enable the flame of faith to grow even hotter. What is your favorite part of gathering on Sundays? Does anything in your life keep you from the gathering? How can we each prioritize the gathering even more this year?
