TRUSTING THE ONE WHO KNOWS THE WAY

God rules over the chaos,
trust Him to lead you
THROUGH IT.

What is true for Yahweh's dealings
WITH THE SEA

is true for Jesus' dealings
WITH SIN.

*Though God has conquered the chaos of sea and sin, they still cause problems.
These problems do not threaten God's sovereignty.*

Job knows of evil forces at work
IN THE WORLD (Job 26:12),
but he did not realize how it
AFFECTED HIM.

The chaos in the world does affect us,
but it becomes more powerful
when we allow it to destroy our peace.

God has provided ways
to ensure that the chaos
IN THE WORLD
does not cause chaos
IN US.

The God of peace will soon
crush Satan under your feet.

Romans 16:20a

BIBLICAL WAYPOINTS

and guidance that God
