1. Describe a time when a struggle in your life pushed you to tear open the box you had put God in?
2. In what area in your life have you stopped expecting God to behave like God? Where have you lost your expectant faith? “Lord, I believe; help my unbelief!” (Mark 9:24 NKJV)
3. In what area of your life do you need Jesus to go further than just “Healing the problem or fixing the situation” and you need him to heal the deep wounds the problem/situation caused. Where do you need wholeness again?
4. In what ways do you sometimes struggle to see the tenderness of Jesus?
