

SUNDAYS AT

Central

Dan Seaborn | 22 October 2023

1. How has your perspective of “prosperity” changed after hearing this message?
2. Is there a difficult situation in your life that is drawing you to the Lord currently? How could this be for your long-term benefit?
3. Spend some time reflecting on the 3 parts of verse 12: call on me, come, and pray to me. What does each of these parts look like for you in your present situation? How are you walking out calling on the Lord, coming to Him, and praying to Him on a regular basis? What could it look like to do this more intentionally?
